Mrs. Steidley,

The Claremore Police Department, Fraternal Order of Police Lodge number 112 has voted to endorse your campaign to be elected as the next District Attorney of District 12 of the State of Oklahoma.

The decision to endorse your campaign was made after carefully weighing each candidate's remarks and reviewing the campaigns, including yours. As you are aware, each candidate was invited to speak and make a presentation to the lodge members and both Democratic candidates accepted the invitation.

Having met and listened to each candidate it was the decision of the FOP Lodge members to extend the endorsement of the lodge to you. It is our belief that you best represent the needs of law enforcement in Rogers County and that you embody the character, experience, and professionalism needed to lead the District Attorney's Office.

If you are ultimately elected, we look forward to a mutually rewarding relationship with you and your office and the continued tradition of cooperation between the Claremore Police Department and the District Attorney's Office.

Wishing you the best of luck in your campaign,

President Milburn Litterell
Fraternal Order of Police Lodge #112
