# FRATERNAL ORDER OF POLICE

June 29, 2010

Mrs. Steidley,

This letter is to notify you that the Vinita Police Department, Fraternal Order of Police Lodge 110 has decided to endorse you in your campaign to be elected to the office of District Attorney for District 12.

As you know, both Democratic candidates' were invited to speak to our lodge members and inform us about their respective campaigns. After hearing and assessing both candidates' positions, the Lodge 110 members decided to give our endorsement to you. We believe your campaign not only represents the needs of law enforcement in Craig County, we strongly believe it best represents the needs of the 12<sup>th</sup> District that most of the Lodge 110 members reside in. You have shown us that you possess the character, work ethic, and professionalism needed to be the next District Attorney making our decision to endorse you an easy one.

If you are elected, we look forward to a great working relationship with you and your office. Hopefully we can improve upon an already established history of cooperation between the Vinita Police Department and the District Attorney's Office.

Sincerely,

President Heath Winfrey  
Fraternal Order of Police Lodge #110
